

South African Weather Service Internship Programme 2019

Internship Programme

The South African Weather Service (SAWS) hereby invites applications for their **two-year** Internship Programme.

We are looking for a high- achieving graduate to join our Internship programme in the following field:-

- GIS - 1 Position – Ref: GIS - 2019

Applicants must satisfy the following requirements:

- Student **MUST** have a qualification where GIS is core to the qualification.
- Student **MUST** be able to perform spatial and non-spatial data analysis.
- Training in Meteorology or Climatology will be an added advantage
- An applicant must be a new graduate or have been unemployed for a period of one-year after completion of a tertiary qualification.

The intern will be placed in SAWS Head Office in Pretoria, under Climate Information Unit. A successful candidate will be responsible for arranging his or her own accommodation and transport. SAWS will pay a monthly stipend, which will be **R6000.00** per month.

Recruitment will be done in line with the SAWS Employment Equity Plan.

Successful candidate will be required to enter into an Internship Agreement with SAWS. SAWS is under no obligation to employ the intern on completion of the programme.

For further information regarding the Internship Programme contact: Gugu Maphisa (012-367 6085) or gugu.maphisa@weathersa.co.za

A comprehensive CV with copies of qualifications should be emailed (with the name of the position and relevant reference number in the subject line) to: training1@weathersa.co.za

Only short listed candidates will be contacted.

Should you not hear from us within three months of the closing date, please regard your application as unsuccessful.

Closing Date 26 July 2019

SAWS welcomes applications from people with disabilities
