DETAILS

A) FORECASTING INTERNSHIP

(REF.WS12/10/2020),

is offering Internships for study

The South African Weather Service invites graduates who are in possession of an honours degree in Meteorology or Atmospheric sciences with at least mathematics on second year university level and physical sciences on first year university level to apply for a one-year training internship in forecasting at the head office of the South African Weather Service in Pretoria. The qualification must also include the required dynamical courses as prescribed by the World Meteorological Organization. This course will start in February 2021.

The following must accompany the application:

- A certified copy of Matric results
- A certified copy of the full academic record to prove the subject choice at the university where applicable
- A certified copy of SA identity document
- A CV
- Motivation Letter
- A certified copy of the different degrees

The following will serve as recommendations:

- Good interpersonal relations
- A basic level of computer literacy

B) NATIONAL CERTIFICATE: WEATHER OBSERVATIONS

(REF.WS01/10/2020)

is offering Learnerships for study

Candidates with a Grade 12 (Matric) certificate with 50% (D symbol) or higher for Mathematics (not mathematics literacy), 50% or higher for Physical Science 50% or higher and English 50% are invited to apply for learnership to undergo ten (10) months observation training at the SA Weather Service Regional Training Centre in Pretoria, commencing February 2021.

Candidates must be computer literate and be able to work on-line from home when needed.

Candidates will receive training in all aspects of weather observation as per the National Certificate in Weather Observation. (SAQA QUAL ID no 58995) or the QCTO qualification.

The South African Weather Service is an equal opportunity employer. It is the intention of the Weather Service to promote representivity through the filling of the Learnership opportunity. This is an open advertisement, but candidature of individuals from the previously disadvantaged communities and females will receive preference.

The following must accompany the application:

- A certified copy of Matric results
- A certified copy of SA identity document
- A CV
- Motivation Letter
- A certified copy of the different degrees

For any enquiries regarding the content of the training ONLY.
