DETAILS

FORECASTING INTERNSHIP / POSTGRADUATE CERTIFICATE IN WEATHER FORECASTING (REF.WS12/10/2023),

The South African Weather Service invites graduates who are in possession of an honours degree in Meteorology or Atmospheric sciences with at least mathematics on second year university level and physical sciences on first year university level to apply for a one-year training internship in forecasting at the head office of the South African Weather Service in Pretoria. The qualification must also include the required dynamical courses as prescribed by the World Meteorological Organization. This course will start 29 January 2024 . The forecasting offices where forecasters possibly can be appointed are: Pretoria, OR Tambo International Airport, Bloemfontein, Durban, Port Elizabeth, and Cape Town.

The following must accompany the application:

- A certified copy of Matric results
- A certified copy of the full academic record to prove the subject choice at the university where applicable
- A certified copy of SA identity document
- A CV
- Motivation Letter
- Certified copies of the different degrees

The following will serve as recommendations:

- Good interpersonal relations
- A basic level of computer literacy

For any enquiries regarding the content of the training,

- Contact Mr. Jannie Stander by email to Jannie.Stander@weathersa.co.za
