TRAVELLERS WEATHER FORECAST FOR TOMORROW: 2026-08-09
ISSUED AT 15:30 SAST BY THE SOUTH AFRICAN WEATHER SERVICE.
THIS FORECAST WILL BE UPDATED AT 04:30 SAST.

SEVERE WEATHER ALERTS:

=====

IMPACT-BASED WARNINGS:

- A. Orange Level 6 Warning: Disruptive snow leading to disruptions to livelihood, major traffic disruptions and some communities temporary inaccessible, is expected over Dr Beyers Naude Municipality, Chris Hani District, Senqu, Elundini and Matatiele Municipality persisting until Tuesday (09-11/08/2026).
- B. Yellow Level 2 Warning: Disruptive snow leading to localised traffic disruptions, isolated loss of livestock and crops and localised disruptions to services, is expected in places over Koukamma, Kouga, Blue Crane, Raymond Mhlaba, Amahlathi, Intsika Yethu, Dr AB Xuma, Mhlontlo and Mzimvubu Municipalities persisting until Tuesday (09-11/08/2026).
- C. Yellow Level 2 Warning: Disruptive rain leading to localised flooding of susceptible settlements, roads and bridges, is expected in places over Koukamma Municipality of the Eastern Cape and the extreme southern parts of KwaZulu Natal.
- D. Yellow level 2 warning: Damaging winds and waves resulting in difficulty in navigation, localised disruption of small harbours and/or ports for a short period of time, small vessels at risk of taking on water and capsizing in a locality are expected between Port Edward and Durban.

FIRE DANGER WARNINGS:

Extremely high fire danger conditions are expected over the south-western parts of North West, the central parts of Free State as well as the extreme, north-eastern parts of Northern Cape.

ADVISORIES:

A cold front accompanied by a cut-off low is expected to affect the interior of KwaZulu Natal, Free State, Western Cape, Northern Cape and Eastern Cape from Sunday persisting into Tuesday. The public and small stock farmers are advised that very cold and windy conditions, snowfall over mountainous areas and rough to very rough seas (coastal areas) can be expected. Farmers and the public in general are advised to take necessarily precautions (09-11/08/2026).
